Confidential Information

TielTjes Precision Parts B.V. (hereinafter referred to as the Confidential Information Holder) acknowledges that it is bound by strict confidentiality, both during and after the termination of the exchange of information pertaining to the Objective, with regard to all data, information and/or details provided:

- (1) have been or will be provided directly or indirectly to the Confidential Information Holder; and/or
- (2) relate to the business of the Providing Party; and/or
- (3) relate to the business(es) of affiliated (legal) representatives of the Providing Party; and/or
- (4) are related to the Objective.

The aforementioned details, information and specifics are hereinafter referred to collectively as "Confidential Information".

Confidentiality

The Confidential Information Holder shall keep all Confidential Information completely confidential. In all cases, confidentiality in this respect means that:

no disclosure of any of the Confidential Information to third parties, whether verbally or in writing and either directly or indirectly, may be made without the express prior written consent of the Providing Party; and/or Confidential Information may not be used for the benefit of another party without the express prior written consent of the Providing Party.

Confidentiality in this context shall also include the fact that Confidential Information may not be used for personal gain without the express prior written consent of the Providing Party, except when such use is required for achieving the Objective.

The Confidential Information Holder will take the utmost care to ensure (and is responsible for) the proper and secure storage of the Confidential Information in order to prevent that Confidential Information is never disclosed in violation of the agreement.

The Confidential Information Holder declares, both before, during and after completion of the work to be carried out by them, that they have not been, nor will not be, directly or indirectly involved in work that is either the same, equivalent or comparable to the Objective.

Ownership Confidential Information

The Providing Party remains at all times the owner of all conceivable rights to the Confidential Information. In the terms of this agreement, under no circumstances shall the Confidential Information Holder be entitled to any claims (such as a right of ownership or license) in respect of the Confidential Information, other than the authorised right to access the Confidential Information for the benefit of the Objective. The Confidential Information Holder shall not remove or alter anything in, or to, the Confidential Information, or make copies of said Confidential Information without explicit permission.
